**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

The public supports internet competition that meets their needs. Cable and phone companies have shown they will take advantage of their control of access by abusing customers. I'm with Sonic because their company policy is to support open access to the internet. Don't kill creativity in the marketplace, support an open internet.
